

Künstlerbahnhof Ebernburg e.V.

Verein zur Förderung von Kunst und Kultur

Society for the promotion of art and culture

Since 1979 the „Künstlerbahnhof Ebernburg“ (train station for artists) awards scholarships to fulltime artists for residency in the former railway building. In this beautiful landscape and unrivalled location artists will get a chance to work creatively in an undisturbed and independent as well as free environment. The scholarship given primarily to young artists is for two months, and artists will find a unique high-cealinged and light studio in the basement as well as a fully undisturbed flat on the upper floor, enabling artists to work undisturbed to develop their true potential. Apart from awarding residencies, the society intends to organise exhibitions for well-known, mainly young artists in order to open up their work to the public and promote the „Künstlerbahnhof Ebernburg“ as a most suitable institution for artists.

The artists studio and flat are kindly provided by the „Rheingartenstein foundation of Max und Herta Kuna“.

Please send us your documents of your work, your career and your person in form of paper. To apply for a scholarship in the following year, please send your documents by post it must be in our postbox by the 30th of september at the latest.
